

April 1, 2018

Due to the success of last year's event, the Waynesboro Summer Jubilee Committee is pleased to announce that the 18th Annual Waynesboro Summer Jubilee event will be held Wednesday, July 4, 2018 across from the hospital on East Main Street in Waynesboro, PA. The Waynesboro Summer Jubilee Committee is an independent, non-profit organization and all proceeds from its Summer Jubilee event are invested into the community through the support of Waynesboro area projects, as well assuring the success of future Jubilees.

Every year, thousands of people attend the celebration to observe the fireworks and enjoy continuous music, lively entertainment and a diverse assortment of foods. During the last few years, the committee has received many requests to include more variety into the food selection; however, due to space restrictions, the number of vendors needed to be limited. Thankfully, the committee has been able to accommodate the space issue and is looking to attract more vendors. If you know of any interested vendors, we would love to hear from you or them.

All vendors will be screened so that the committee may accept the widest variety of food for the visitors. Electrical services will be available if requested. There will be no water service available. If you have special needs, please indicate so in writing.

The Waynesboro Summer Jubilee Committee strives to present an annual cultural event that will increase the quality of life for the people of the Waynesboro area. Please join us as we treat the tri-state region to a festive atmosphere of good food, music and fireworks at what promises to be the summer's hottest event.

Sincerely Yours,
